

Building Bridges of Love

*“Love one another. As I have loved you,
so you must love one another.”*

Scriptures:

Luke 10:27; John 13:34; John 15:12

Mission:

To practice and promote the Great Commandment and the Great Commission with a spirit of reconciliation and restoration. We believe Jesus has called the church to be the healing agent that brings reconciliation into broken and fractured places in our communities and beyond.

Purpose:

“Building Bridges of Love and Trust”

We come together in a spirit of humility with a desire to build bridges over the racial divisions around us.

Vision:

To demonstrate unwavering love and unity by embracing diversity; removing the barriers that sometimes deter us and eventually divide us.

To build bridges across that racial divide.

Values:

Humility, honesty, patience, kindness, hope, faith, love, empathy, confession, forgiveness, repentance, reconciliation: Love the Lord God with all your heart, mind, soul and strength—love your neighbor as you love yourself.
